

**Project:** Roof Replacement  
**McMICHAEL SCHOOL**  
Philadelphia, Pennsylvania

**Owner:** Philadelphia School District  
Philadelphia, Pennsylvania

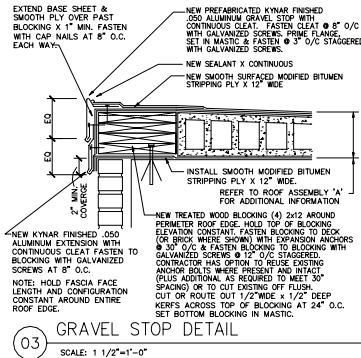

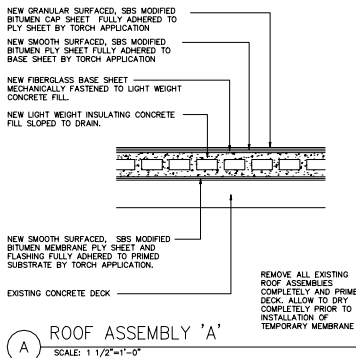

**Contractor:** U.S. Roofing Contractors  
Norristown, Pennsylvania

**Assembly:** Modified Bitumen Over New  
Light-Weight Concrete

**Completion:** April, 2000

**Cost:** \$ 445,750

# McMICHAEL HIGH SCHOOL

**Comment:** Removed failed dead flat roof assembly and installed new modified bitumen membrane over new sloped light weight insulating concrete fill to provide drainage.
